_____ (Affiant), being duly sworn according to law deposes and says:

- Affiant is authorized to execute this Affidavit on behalf of _____ (Shipper).
- Affiant herein represents to Northern Natural Gas Company (Northern) that Shipper has a throughput service agreement on Northern (NNG Contract # _____) (Service Agreement) with deliveries to a pooling point on Northern (POI # _____) (Pooling Point).
- Volumes delivered to the Pooling Point are delivered to another service agreement and ultimately delivered to physical delivery points on Northern’s system (Downstream Agreement). The Downstream Agreement provides fuel in accordance with Northern’s FERC Gas Tariff (Northern’s Tariff).
- Pursuant to Northern’s Tariff, provided the volumes that flow on the Service Agreement are further transported on the Downstream Agreement, fuel is not applicable to the Service Agreement.
- Shipper understands that, in reliance on this Affidavit, Northern will not charge fuel for the Service Agreement. In the event it is determined that fuel was inappropriately not charged, Shipper will provide any fuel that is determined to be applicable.
- This affidavit will remain in effect for the specified contract(s) and point(s) from _____¹ until Shipper provides Northern written notice (fax or e-mail) to the contrary.
- THIS AFFIDAVIT WILL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEBRASKA.
