

Customer Consent to Remove Facilities

Customer Name: _____

FID/SSN: _____

Northern Natural Gas (Company)

Location of Facilities: _____

_____ 1/4, Section _____, Township _____, Range _____

County _____, State _____

Line Number _____ Line Name _____ Milepost _____

As the legal owner of the above premises upon which Company's tap is located, I hereby authorize Company to remove its existing facilities, as I no longer desire natural gas service. Company shall have no further responsibility for a tap at the above location. To the extent said removed facilities were originally installed pursuant to the terms of a pipeline easement, the removal of the facilities will discharge any further obligation of Company with regard to providing such service upon the easement.
