Re: Supplement to June 5, 2024, filing
OEP/DG2E/Gas Branch 1
Northern Natural Gas Company
Northern Lights 2025 Expansion
Docket No. CP24-60-000
§ 375.308(x)

Dear Ms. Reese:

Northern Natural Gas Company (Northern) hereby submits for filing with the Federal Energy Regulatory Commission (FERC) in the above-referenced docket the attached response from the Town of Angelo. The response was received subsequent to Northern filing its response to FERC's May 15, 2024, data request and supplements Northern's response to Data Request 4.

Any questions regarding the filing should be directed to the undersigned at (402) 398-7103.

Respectfully submitted,

/signed/ Donna Martens

Hello David

Thank you for the response. Just following up to see if Town of Angelo has any additional information on road work for us. The screen shot shows the general work location with yellow boxes.

Thanks
Sue

You don't often get email from david.ohnstad@co.monroe.wi.us. [Learn why this is important](#)

Good Morning -

Apologies for the delay in responding.

County highways within the target area (townsite of Angelo) is limited to short segments of CTH Q and Old Highway 21. The Highway Department has no immediate plans for any significant work on those highways over the next two years.

The local streets and roads in the target area are under the jurisdiction of the Town of Angelo. I am not aware of any significant work planned for those streets, but will ask the town to comment further. Jim / Norb - please review and advise Katie by return e-mail if the town has any projects planned in the target area.

The Wisconsin DOT has a resurfacing (removal and replacement) project, with related incidentals, on STH 21 between Sparta and Tomah currently scheduled for construction in 2025.

David

Subject: RE: Pipeline Project Inquiry

Hello,

I wanted to follow up on my previous email (below) requesting information on planned construction projects in/adjacent to the areas outlined yellow on the attached map. Any information you can provide would be greatly appreciated!

Thank you,
Katie

Subject: Pipeline Project Inquiry

Hello,

I am a consultant working on behalf of Northern Natural Gas on a pipeline project in Monroe County. I am reaching out to ask if there are any proposed road developments or construction projects in the close vicinity of the project scheduled through 2026. I've attached a map with the project area in yellow. Do you know of any proposed work in this area?

Thank you!
Katie
