Re: Notice to Proceed with Construction

Dear Ms. Martens:

I grant your March 24, 2025 request for Northern Natural Gas Company (Northern) to commence construction for the Northern Lights 2025 Expansion Project. In considering this notice to proceed, we have reviewed your Implementation Plan filed on March 6, 2025. The Implementation Plan includes the information necessary to meet the construction conditions of the Commission's February 19, 2025 *Order Issuing Certificate and Approving Abandonment* (Order) in the above referenced docket. We have confirmed the receipt of all federal authorizations relevant to the approved activities herein.

I remind you that Northern must comply with all applicable remaining terms and conditions of the Order. If you have any questions, please call Andrea Bloomfield, Environmental Project Manager, at (202) 502-6412.

Sincerely,
