¹ As noted in biweekly report 5 filed April 30, 2025, Northern previously filed notice that construction commenced on the Farmington to Hugo C-line extension on April 24, 2025. The same construction crew, Otis Minnesota Services, LLC, is installing the Blanding's turtle exclusionary fencing for the Elk River 3rd branch line and the Farmington to Hugo C-line. Work on the fencing commenced on Farmington after the fencing on Elk River was completed.
