RE: Northern Natural Gas
Northern Lights 2025 Expansion
Docket No. CP24-60-000
Notice of In-service – La Crescent Compressor Station Modifications and Tomah
Branch Line Loop Extension

Dear Ms. Reese:

In accordance with Ordering Paragraph B(2) of the Federal Energy Regulatory Commission's (Commission) order issued February 19, 2025, in the above-referenced docket and Section 157.20(c)(2) of the Commission's regulations, Northern Natural Gas hereby submits for filing with the Commission its notice of in-service for the La Crescent compressor station modifications (La Crescent modifications) and the Tomah branch line loop extension (Tomah extension). The La Crescent modifications were placed in service September 26, 2025, and the Tomah extension was placed in service September 30, 2025.

Any questions regarding this filing should be directed to the undersigned at (402) 398-7138.

Respectfully submitted,

/signed/ Donna Martens
