Re: Northern Natural Gas Company
Northern Lights 2025 Expansion
Docket No. CP24-60-000
Affirmative Statement of Compliance

Dear Ms. Reese:

Northern Natural Gas (Northern) hereby submits for filing with the Federal Energy Regulatory Commission in the above-referenced docket the attached Affirmative Statement in compliance with Condition 11 of the Order Issuing Certificate and Approving Abandonment issued February 19, 2025 (Order). The Affirmative Statement addresses Northern's compliance with the conditions of the Order regarding the Tomah branch line loop extension and the modifications at the La Crescent compressor station; in accordance with Condition 11(b) of the Order, any instances of noncompliance previously reported in the biweekly reports are not addressed in the attached Affirmative Statement.

Any questions regarding this filing should be directed to the undersigned at (402) 398-7138.

Respectfully submitted,

/signed/ Donna Martens

AFFIRMATIVE STATEMENT

The Tomah branch line loop extension (Tomah Extension) and the modifications at the La Crescent compressor station (La Crescent modifications), constructed pursuant to the Order Issuing Certificate and Approving Abandonment issued February 19, 2025, in Docket No. CP24-60-000 (Order), were completed in compliance with all conditions identified in the Order that are applicable to the Tomah Extension and La Crescent modifications. Pursuant to Condition 8 of the Order, Northern will continue to file the biweekly reports until all construction and restoration activities for the Northern Lights 2025 facilities are complete.
