RE: Northern Natural Gas Company
Docket No. RP26-_____
Negotiated Rate Transactions

Dear Ms. Reese:

Northern Natural Gas Company ("Northern") submits the following Tariff Sections for filing as part of its FERC Gas Tariff, Seventh Revised Volume No. 1 (the "Tariff"), to be effective February 18, 2026:

SEVENTH REVISED VOLUME NO. 1¹
Part 5, Section 44, Version 22.0.0

Reason for Filing

On June 7, 1996, in Docket No. RP96-272-000, Northern filed tariff sheets permitting it to negotiate rates in accordance with the Commission's Policy Statement on Alternatives to Traditional Cost-of-Service Ratemaking for Natural Gas Pipelines, issued January 31, 1996, in Docket No. RM95-6-000 (the "Policy Statement").² The Commission accepted the tariff sheets in an order issued July 5, 1996 (the "1996 Order").

The reason for this filing is to add a new negotiated rate agreement with ETC Marketing, LTD. ("ETC").

¹ Part 5, Section 44 is created from the pending tariff records in Docket No. RP26-487-000 filed February 13, 2026.

² 74 FERC ¶ 61,076 (1996).

New Transaction

ETC – Contract No. 145774:

Part 5, Section 44 is updated to reflect the addition of a new agreement for service for Gas Days 02/18/2026 through 02/23/2026.

Other Regulatory Requirements

The negotiated rate transactions shall be reflected in Northern's transactional report.

In accordance with the Commission's 1996 Order, Northern will keep separate and identifiable its negotiated rate information in such form that it can be filed and separately totaled, in particular, as part of and in the format of Statements G, I, and J in Northern's future rate cases.

Waivers

The Policy Statement provides: "the Commission will readily grant requests to waive the 30-day notice requirement" for negotiated rate filings.³ Accordingly, Northern respectfully requests the Commission grant waiver of section 154.207 and any other waivers of its Regulations it deems necessary to allow this filing to become effective February 18, 2026.

Posting

Northern has served an electronic copy of this filing upon its customers and interested state regulatory commissions.

Marked Version

In accordance with section 154.201 of the Commission's Regulations, Northern submits a marked version of the proposed tariff changes highlighting new additions and showing deletions by strikeout.

³ 74 FERC ¶ 61,076 at 61,241-2 (1996). *See NorAm Gas Transmission Company*, 77 FERC ¶ 61,011 at 61,034-5 (1996).

Ms. Debbie-Anne Reese, Secretary

February 17, 2026

Motion

In accordance with sections 154.7(a)(9) and 154.206(c) of the Commission's Regulations, Northern moves to place the tariff sections referenced in effect as of the end of any suspension period ordered by the Commission.

Data Processing Requirements

Northern submits this filing through FERC's electronic tariff filing process in a FERC-approved format.

Communication

It is respectfully requested that all Commission orders and correspondence, as well as pleadings and correspondence from other persons concerning this filing, be served upon each of the following:

Luis Valdivia
Director, Regulatory Policy and Rates
Northern Natural Gas Company
