Re: Northern Natural Gas Company
Northern Lights 2019 Expansion Project and Rochester Project
Docket No. CP18-534-000
Supplemental Correspondence Condition 15

Dear Ms. Bose:

In accordance with Condition 15 of the Order Issuing Certificate and Approving Abandonment issued February 21, 2019, Northern Natural Gas Company (Northern) hereby submits for filing with the Federal Energy Regulatory Commission (FERC) the attached supplemental cultural resource reports for the Willmar C-line Extension (Willmar) and the Rockford to Buffalo Greenfield Lateral (Rockford to Buffalo). Also attached is additional correspondence with the Minnesota State Preservation Office (SHPO) and the Tribal Historic Preservation Officers (THPO) as well as revised alignment sheets (privileged version) for the Willmar and Rockford to Buffalo pipelines. The alignment sheets have been revised to reflect the recently surveyed areas and a revised environmental clearance boundary. Northern will file comments from the SHPO and THPO once received.

The alignment sheets, cultural reports and certain of the correspondence contains confidential information regarding specific information on the location of cultural resources has therefore been labeled "**CU//PRIV ---DO NOT RELEASE (PRIVILEGED)**." Pursuant to 18 CFR Section 388.112, Northern requests confidential and privileged treatment of these documents due to the confidential nature of the contents.

The person to be contacted regarding the request for privileged and confidential treatment is as follows:

Kimberly D. Bose, Secretary

Call Log

To: Terry Plucker, Northern Natural Gas Company, Manager
Construction Environmental Compliance

Date: March 29, 2019 11:05 am

From: Samantha Odegard, THPO
Upper Sioux Community

Subject: Northern Lights 2019 Expansion

Terry Plucker called Samantha Odegard and left a voicemail informing her that survey has been completed on the remaining parcels for the Rockford to Buffalo greenfield and Willmar C-line extension projects. Mr. Plucker informed her that their cultural sub consultant did not identify any cultural resources on either project. Mr. Plucker inquired if her office wanted to review the reports, since there were no resources identified.

Mr. Plucker left his phone number and asked for Ms. Odegard to return his call to discuss both the reports and the cultural monitor for the Alexandria branch line loop extension.

Call Log

To: Terry Plucker, Northern Natural Gas Company, Manager
Construction Environmental Compliance

Date: March 28, 2019 9:16am

From: Sarah Beimers,
Environmental Program Review
Manager, MN SHPO

Subject: Northern Lights 2019 Expansion

Terry Plucker left a voicemail for Sarah Beimers informing her that Commonwealth Heritage Group had completed cultural resources surveys for the remaining parcels on the Willmar and Rockford to Buffalo projects with no cultural resources identified. Mr. Plucker informed Ms. Beimers that Northern would be concurrently submitting the reports to FERC and the Upper Sioux Community THPO for review. Survey reports for the Alexandria and Rochester projects should be sent next week. Mr. Plucker also requested a return phone call and an expedited review.
