Re: Notice to Proceed with Construction of the Carver Compressor Station

Dear Mr. Loeffler:

I grant Northern Natural Gas Company's (Northern) February 27, 2019 request to commence construction of the new Carver Compressor Station. In considering this notice to proceed, we have reviewed your Implementation Plan, also filed on February 27, 2019, along with your supplemental filings of March 12, 2019 and April 19, 2019, which included the information necessary to meet the construction conditions of the Commission's February 21, 2019, *Order Issuing Certificate* (Order) in the above-referenced docket. In addition, we have confirmed the receipt of all federal authorizations relevant to the approved activities herein.

I remind you that Northern must comply with all applicable remaining terms and conditions of the Order. If you have any questions regarding this approval, contact me at 202-502-8130.
