Re: Approval to Modify Access Road for Rochester Greenfield Lateral

Dear Mr. Loeffler:

In compliance with environmental condition 5 of the Commission's February 21, 2019, *Order Issuing Certificate* (Order) for Northern Natural Gas Company's (Northern) Northern Lights 2019 Expansion and Rochester Projects, I approve your request to shift the access road between mile post 12.33 and 12.44 to maintain an adequate buffer around an active bird nest, for the Rochester Greenfield Lateral filed June 18, 2019, for full construction.

In considering these approvals, we have reviewed your Implementation Plan, filed on February 27, 2019. In addition, we have confirmed the receipt of all federal authorizations relevant to the approved activities herein.

I remind you that Northern must comply with all applicable remaining terms and conditions of the Order. If you have any questions regarding this approval, you may contact me at 202-502-8130.

Sincerely,
