RE: Northern Natural Gas Company
Docket No. CP18-534-000
Northern Lights 2019/Rochester Expansion Project
Notice of In-service

Dear Ms. Bose:

Pursuant to Ordering Paragraph B(2) of the Federal Energy Regulatory Commission's (Commission) order issued February 21, 2019, in the above-referenced docket, and Section 157.20(b)(2) of the Commission's regulations, Northern Natural Gas Company (Northern) hereby submits for filing with the Commission its notice of in-service for the LaCrosse branch line maximum allowable operating pressure uprate and regulator relocate (LaCrosse uprate), Rochester greenfield lateral and town border (Rochester), Carver compressor station (Carver CS), Unit 2 at the Owatonna compressor station (Owatonna), Unit 3 at the Faribault compressor station (Faribault), and the Rockford to Buffalo greenfield lateral (Rockford). The LaCrosse uprate, Rochester, Carver CS, Owatonna and Faribault were ready for service November 1, 2019. Rockford was ready for service November 5, 2019.

Any questions regarding the filing should be directed to the undersigned at (402) 398-7103.

Respectfully submitted,

/signed/ Mike Loeffler
