### Waiver

Northern respectfully requests that the Commission grant any and all waivers of its Regulations that it deems necessary to allow the Tariff records to become effective January 1, 2021.

### Posting

Northern has served an electronic copy of this filing upon its customers and interested state regulatory commissions.

### Marked Version

In accordance with Section 154.201 of the Commission's Regulations, Northern has submitted a marked version of the proposed tariff changes highlighting new additions and showing deletions by strikeout.
