Re: Northern Natural Gas Company
Northern Lights 2023 Expansion
Submission of Response to RFP for a Third-Party Consultant to Assist Commission
Staff's Preparation of an Environmental Impact Statement
Docket No. CP22-138-000

Dear Ms. Bose:

Northern Natural Gas (Northern) submits for filing with the Federal Energy Regulatory Commission (FERC) the response received to Northern's Request for Proposal (RFP) from parties seeking to become a third-party consultant to act on behalf of FERC staff and assist in preparation of the environmental documents in the above-referenced docket. Northern submitted an RFP to seven potential parties. Only one party, Tetra Tech, Inc. responded with a bid. Attached are the documents provided by Tetra Tech supporting its bid. Due to the proprietary nature of the information supplied by Tetra Tech, the documents have been segregated and labeled "**CUI//PRIV --- DO NOT RELEASE (PRIVILEGED).**" Pursuant to 18 CFR § 388.112, Northern requests confidential and privileged treatment of the documents.

The person to be contacted regarding the request for privileged and confidential treatment is as follows:
