Re: Data Request

Dear Mrs. Martens:

Please provide the information described in the enclosure to assist in our analysis of Northern Natural Gas Company's (Northern) proposal filed in the above referenced docket. File your response in accordance with the provisions of the Commission's Rules of Practice and Procedure. In particular, 18 C.F.R. § 385.2010 (Rule 2010) requires that you serve a copy of the response on each person whose name appears on the official service list for this proceeding.

Please file a complete response within five (5) days of the date of this letter. If certain information cannot be provided within this time frame, please indicate which items will be delayed and provide a projected filing date. File all responses under oath (18 C.F.R. § 385.2005) by an authorized representative of Northern and include the name, position, and telephone number of the respondent to each item.

Sincerely,

Andrya C. Torres Pérez
Chemical Engineer
Division of Pipeline Certificates
Office of Energy Projects

Enclosure:

1. Provide a table listing each segment of pipeline proposed to be constructed and each above ground facility proposed to be constructed or modified. For each proposed facility indicate how much of the required right-of-way or land ownership Northern has in place, showing the length of right-of-way obtained. If applicable, indicate how the land rights not yet in place are expected to be obtained, also showing the length of right-of-way to be obtained.
