STATE OF

COUNTY OF

(Affiant), being duly sworn according to law deposes and says:

Affiant is authorized to execute this Affidavit on behalf of _____ (Shipper).

Affiant herein represents to Northern Natural Gas Company (Northern) that

1. Shipper has a Carlton Resolution sourcing and flow obligation under Section 29(c) of the General Terms and Conditions of Northern’s FERC Gas Tariff, as may be amended from time to time (Tariff).
2. **Affiant recognizes that Shipper’s nomination must be at an individual point/TBS level, and not to a zone point. Shipper must nominate 100% of their natural gas supply, regardless of receipt point, to specific delivery point(s), not to a zone point(s), for all contracts belonging to their legal entity.**
3. Affiant herein represents to Northern that ***it has a delivery point(s) downstream of Farmington, Minnesota***, at which it wishes to reduce deliveries and therefore, receive a concomitant reduction in its requirement to receive its specified level of volumes at Carlton. For the gas day(s) of _____, Shipper will reduce its deliveries at POI _____ (point(s)) by _____ (volume) on a 100% obligation day, from its previous planned deliveries, leaving its Carlton flow obligation for a 100% gas day at _____ (volume). For days where Carlton is called for a percentage less than 100%, Northern will multiply the 100% requirement identified above by the revised Carlton percentage to arrive at the requirement for that gas day.
4. In the event Shipper fails to reduce its delivery point(s)/market(s), Shipper shall pay a penalty of twenty-five dollars (\$25.00) for each Dth of reduced Carlton requirement that does not have a concomitant reduction in delivery.

THIS AFFIDAVIT WILL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEBRASKA.

Subscribed and sworn to before me, a Notary Public in and for the state of this _____ day of _____, 20_____.
