Re: Northern Natural Gas Company
Northern Lights 2019 Expansion Project and Rochester Project
Docket No. CP18-534-000
Supplemental Correspondence Condition 15

Dear Ms. Bose:

In accordance with Condition 15 of the Order Issuing Certificate and Approving Abandonment issued February 21, 2019, Northern Natural Gas Company (Northern) hereby submits for filing with the Federal Energy Regulatory Commission (FERC) the attached supplemental cultural resource report for the Rochester Greenfield Lateral. Also attached is additional correspondence with the Minnesota State Preservation Office (SHPO) and the Tribal Historic Preservation Officers (THPO) as well as updated alignment sheets (privileged version) for the Rochester lateral. The alignment sheets have been revised to reflect the recently surveyed areas and a revised environmental clearance boundary. Northern will file comments from the SHPO and THPO once received.

The attached contains confidential information regarding specific information on the location of cultural resources and has therefore been labeled "**CUI//PRIV ---DO NOT RELEASE (PRIVILEGED).**" Pursuant to 18 CFR Section 388.112, Northern requests confidential and privileged treatment of these documents due to the confidential nature of the contents.

The person to be contacted regarding the request for privileged and confidential treatment is as follows:

Hello Samantha

We have uploaded the March 2019 cultural resources investigation report for the Rochester greenfield lateral to the FTP site posted below.

This represents 100% survey completion for the Rochester Project. No cultural resources were identified for the Project. We are requesting a no effect on tribal historic resources for Rochester.

A hard copy of the report will be sent out today to your office. Terry mentioned you were traveling this week so the electronic copy is also available for your review.

Thank you for the attention to this matter and feel free to contact Terry or I with questions.

Samantha

Terry Plucker asked me to upload the March 2019 survey results for Northern's Willmar C-line extension and the Rockford to Buffalo greenfield lateral.

Ctwo components of the Northern Lights 2019 project.

Due to the file size of the report and attached construction alignment sheets, I have uploaded the report to the temporary FTP site below.
