Critical: N	Required Response Indicator Description: 5-No response required

Notice Text:

As part of Northern's rate case settlement, all parties agreed to defer two tariff items, listed below, to a working group with the intent of solving these important issues by September 30, 2020, in order to implement solutions prior to November 2020. A conference call will be held July 16, 2020, at 2 p.m. CCT to kick off the discussions. Since these issues are operational in nature, it is suggested that each participating company have its operational representative on the call. The following identifies the conference call information and discussion topics.

Tariff Working Group Discussion
