**Notice Text:**

UPDATE: Northern updated the Tariff Working Group proposal to include diagrams of the proposed SMS and scheduling tolerances and penalties structures.

The following [proposal](#) is based on customer input and will be discussed in the next tariff working group conference call that will be held August 25, 2020, at 2 p.m. CCT.

**Tariff Working Group Discussion #3**

August 25, 2020; 2:00 to 5:00 p.m. CCT  
 Conference Call Number: 877-820-7831  
 Passcode: 4173256#

**Agenda**

Discuss the following [proposal](#) related to the Carlton penalties, System Management Service (SMS), and scheduling tolerances and penalties.

Northern looks forward to our next discussion on these topics. If you have any questions, please contact your marketing representative.
