COUNTY OF \_\_\_\_\_

\_\_\_\_\_, being duly sworn according to the law deposes and says:

- Affiant is authorized to execute this Affidavit on behalf of \_\_\_\_\_ (Claimant.)
- Affiant herein represents to Northern Natural Gas Company (Northern) that Claimant has a Carlton Resolution sourcing and flow obligation under Section 29(c) of the General Terms and Conditions of Northern’s FERC Gas Tariff, as may be amended from time to time (Tariff).
- Affiant recognizes that Claimant’s nomination must be at an individual point/TBS level, and not to a zone point. Claimant must nominate 100% of their natural gas supply, regardless of receipt point, to specific delivery point(s), not to a zone point(s), for all contracts belonging to their legal entity.**
- Affiant herein represents to Northern that *it has a delivery point(s) downstream of Farmington, Minnesota*, at which it wishes to reduce deliveries and therefore, receive a concomitant reduction in its requirement to receive its specified level of volumes at Carlton. For the gas day(s) of \_\_\_\_\_, Claimant will reduce its deliveries at POI \_\_\_\_\_ (point(s)) by \_\_\_\_\_ (volume) on a 100% obligation day, from its previous planned deliveries, leaving its Carlton flow obligation for a 100% gas day at \_\_\_\_\_ (volume). For days where Carlton is called for a percentage less than 100%, Northern will multiply the 100% requirement identified above by the revised Carlton percentage to arrive at the requirement for that gas day.
- In the event Claimant fails to reduce its delivery point(s)/market(s), Claimant shall pay a penalty of twenty-five dollars (\$25.00) for each Dth of reduced Carlton requirement that does not have a concomitant reduction in delivery.
- THIS AFFIDAVIT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEBRASKA.
